## Orientations for the 2018-2020 balance

Operational Guidelines presented in Sweden (Ljungskile) in 2018-2020	Decisions of the 2018 AG	Board of Directors' actions carried out in 2018-2020
<p>1. At each Ridef, offer study workshops to people interested in the development of the Fimem and continue this work between the Ridefs. Some examples of what has been proposed in Sweden:</p> <ul style="list-style-type: none"> <li>o To clarify the expectations of the Movements towards Fimem and of Fimem towards the Movements; to clarify and validate the role of the CA: decisional on what? discretionary power on what? agent of change on what? Legitimacy to intervene or to question certain Movements (e.g. respect or not of the statutes,...</li> <li>o Continue to share best practices in the preparation of a Ridef.</li> <li>o Understand the tree structure of the Fimem website and suggest ways to improve its user-friendliness.</li> <li>o Given the changes in the standard of living on the planet,</li> </ul>	<p>Accepted</p> <p>Not discussed</p> <p>Accepted</p> <p>Accepted</p> <p>Accepted</p>	<p>Workshops have become Commissions. Assistance in the creation of Commissions and accompaniment on request</p> <p>To be renewed</p> <p>Commission # 6 on the sustainability of the Ridef -Coordinator Gabriella- Board member - Mariel</p> <p>Commission #2-site Fimem-coordinator Claude Beaunis, respondent to the Board of Directors - Sylviane</p> <p>Commission 4-Categorization and subscription-coordinator</p>

<p>consider the relevance of a new categorisation of movements from countries A, B and C, based on the Human Development Index (HDI is updated every two years) instead of the OECD; this categorisation would have a direct impact on the annual subscription to FIMEM and on the registration fees for RIDEF.</p> <ul style="list-style-type: none"> <li>○ Contact or relaunch groups who wish to work in Freinet pedagogy or who are already doing so.</li> <li>○ Clarify FIMEM's direct or indirect involvement in : <ul style="list-style-type: none"> <li>○ various solicitations from external organizations working in education.</li> <li>○ what may or may not be broadcast on the Fimem website</li> <li>○ the place of private schools in our Federation and on our website</li> </ul> </li> </ul>	<p style="text-align: center;">Accepted</p> <p style="text-align: center;">Accepted...except associations that opt for the commodification of education</p> <p style="text-align: center;">Not discussed</p> <p style="text-align: center;">Not discussed</p>	<p>Andi, answerable to the Board of Directors - Mariel</p> <p>Commission #1-Communications between Fimem Movements - Coordinator Rémi Brault, answering to the CA-Lanfranco</p> <p>Distribution of Movements and working groups among each member of the Board (continents, languages or contacts already established)</p> <p>Sending motions to international organizations involved in education</p> <p style="text-align: right;">To be renewed</p> <p style="text-align: right;">To be renewed</p>
<p>2. Aim for commitments spread over 2 years. This would greatly reduce the amount of time spent annually on each of these files. For dues - transfer fees would be avoided if paid directly to the RIDEF.</p> <p>For voluntary commitments (translations, resource persons, working groups, delegates ...)</p> <p>To update the leaflet</p> <p>For the categorization of countries in ABC</p> <p>...</p> <p>The recovered energy could advantageously be devoted to objects with greater added value.</p>	<p style="text-align: center;">Dues: Suggestion to Movements but not mandatory</p>	<p>We asked the Movements to appoint their delegates for 2 years.</p> <p style="text-align: center;">They will also act as a liaison between the Ridef</p> <p style="text-align: center;">We update every 2 years</p> <p>We invite all the Movements and commissions that can do so to plan their actions and commitment over 2 years.</p>
<p>3. Explore the possible role and status of supranational groupings;</p>	<p style="text-align: center;">Not discussed</p>	<p style="text-align: right;">To be renewed</p>

<p>4. To publicise the solidarity aid that Movements, private organisations or individuals offer to individuals, as this information has a direct impact on the choice of allocation of FIMEM solidarity aid (article 16 of the internal regulations-not benefiting from at least 25% of subsidies from other organisations).</p> <p>The financial aid granted to each RIDEF can thus be allocated to a greater number of Movements and to new participants who will eventually become multiplying agents for the dissemination of Freinet pedagogy and for the creation of new working groups in their respective environments; Use the residual solidarity funds for the next Ridef, offer training or project aid;</p>	<p>Not discussed</p>	<p>Several Movements have made their donation for solidarity directly to Fimem or Ridef 2020. Fimem, the Movement concerned, or both have been informed of the aid offered.</p>
<p>5. a) Facilitate the organisation and management of a Ridef by allowing the host country to vote 4 years in advance;</p> <p>b) Allow a term on the Board to be extended to 4 years rather than 2 years.</p>	<p>Not discussed</p> <p>Denied</p>	<p>To be renewed</p>
<p>6. Consolidate and categorize the work of the previous administrators so that it can be made available to the "next": research, pruning, grouping, categorization,</p>	<p>Accepted</p>	<p>Opening an "archiving" folder</p> <p>To be continued</p>
<p>7. Continue the work of "grooming" and "archiving" official documents: avoid repetition, improve wording and ensure that translations are accurate. Example: harmonization of statutes and rules of procedure</p>	<p>Accepted</p>	<p>Creation of a new logo, a new address and a new leaflet</p> <p>To be continued</p>
<p>8 - To offer a Ridef at a lower cost for the members of the Board</p>	<p>Denied</p>
